About JASA

The Japanese American Student Association's (JASA) mission is to unite and grow the Japanese/Japanese-American student community present within UMD. To increase awareness and understanding of Japanese culture and language. To serve, represent, and advocate for the Asian Pacific American community as a whole.

We work to create an environment that we can build a community from, whether it be with Japanese/Japanese-American students, or those who are interested in some aspect of Japanese culture, language, or arts.

What Is Harumatsuri?

Harumatsuri is JASA's largest event of the year! It is an spring festival that features carnival-style booths and J-pop stage performances, all while in a cherry-blossom-themed decorated space!

Some of our activities include cork shooting, net fishing, Omikuji, Tanabata, and photo booths.

We bring together thousands of students to our Harumatsuri, spreading Japanese culture and cultivating a welcoming UMD community!

Why sponsor us

Harumatsuri is entirely student-run and student-funded. Each year, JASA covers it through a mix of SGA funding, UMD football concessions, and sponsorships like yours! And every year, we hope to do more with Harumatsuri such as richer cultural programming, more performers and stalls, and keeping the festival free.

Your support is what makes our Harumatsuri possible. Not only does your support directly fund our largest event that promotes Japanese culture, but it also puts your name in front of **thousands** of students.

We would be thrilled to have you support us! A contribution of any size makes a difference, in whatever form works for you. I hope we can get in touch to work together on creating an unforgettable Harumatsuri!

Where your support goes

Every dollar goes straight back into the festival. Here is where it is spent:

Festival food & drink

Takoyaki, daifuku, ramune and cotton candy; either catered from local vendors or freshly hand-made by our volunteers

This year, we hope to obtain more food warming appliances! As well as diversify cold items we can serve with a Japanese Kakigori machine

Equipment & contracts

The main stage, tents, tables and chairs, sound and lighting, and a generator

This year, we hope to expand our scale; we hope to change our tent number from 8 → 12!

Decorations & props

Lanterns, hand-painted banners, the Tanabata wishing tree, and hundreds of folded origami

Festival Haori Jackets are a must for any matsuri, so we are aiming to design them for this upcoming year!

Games & prizes

Materials for Shateki, goldfish-scooping and omikuji, plus the prize raffle that gives back to our community

To encourage ticket purchasing, it's important to have a variety of activities and games; we are aiming for more interactive games!

Performances & programming

Hosting taiko, kimono dance, and a dozen student acts on the main stage.

We are aiming for a larger stage to accommodate dance groups for this year! (+200%)

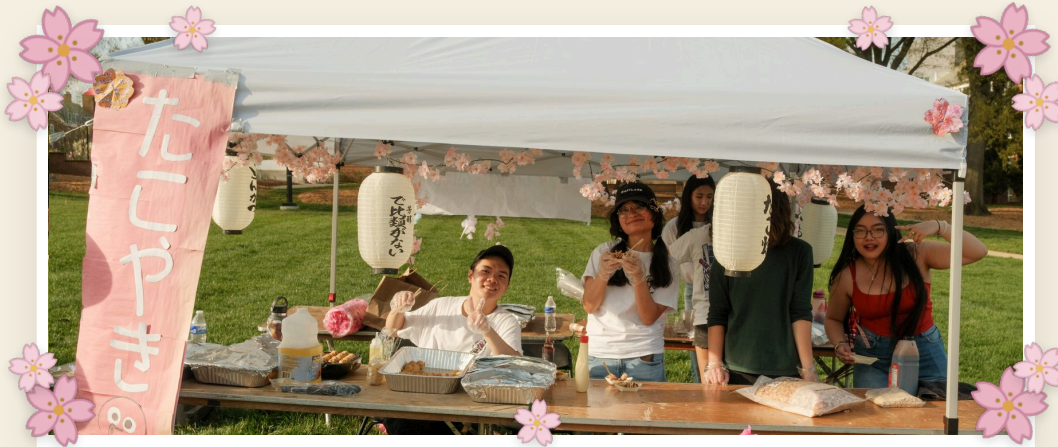

Thank you

We would really appreciate it if you could help support us. Donations of food or product are just as welcome. We will promote you as a headline contributor across our socials and promotions.

Thank you for your time. We look forward to working together!
